"Open" is for classified and experienced hobby players. "Hobby" is meant for hobby players and players with max. "C" classification (players who have "ended up" with classification B can be accepted upon request). "Casual" is for players with less experience in playing or competing. "Beginners" is for those who want to try playing, players who have just started playing and those who are not so serious.

Organiser reserves the right to combine events and place a player in a suitable category. All matches are played with feather shuttlecocks provided by players.

### System

All events start using a pool system, further games using a knock-out system. Limitations: max 2 entries.

### Registration

Latest on Thursday May 19th, 2022. Include info regarding events, your name and contact information (company/club name or similar, email and telephone number).

Send registration to: [kunnon.sulkaa@outlook.com](mailto:kunnon.sulkaa@outlook.com)
